RADIO CHICK ON TV: Leslie Gold, the morning "Radio Chick" on WAXQ (104.3 FM), starts a one-hour TV show

this week.

"RadioChick on the Prowl," which will air at 10 p.m. Fridays on MetroTV, will deal with single life in the city.

Gold promises an "outrageous, no-nonsense style," in which she will explore places to go, look at services for singles, talk to celebrities and solicit advice from matchmakers.
